- Starts Sunday 6th September

26/27 Tour

- Saturday 1st - 4th May 2027 South of France 🇫🇷

Fundraising

In the 2025-26 season, we plan to have indoor training facilities from October to February, as well as several Cardiff Arms Park fixtures, astro matches, and a fantastic tour to Italy.

We have developed several sponsorship and fundraising plans to ensure that we are not always relying on parents for financial support, and also avoid asking the same sponsors repeatedly. We will be discussing these ideas with Parents over the pre-season period, but have outlined these in this document.

- 01** Player Sponsorship - See below
- 02** Annual Race night – 17th October 2025
- 03** Tour weekly raffle - £5 per week, of which 100% of the proceeds come off your tour cost. Each week, we'll be raffling a pair of Cardiff Rugby home fixture tickets, which have kindly been donated.
- 04** A few other ideas TBC – Sponsored car washes, cycle challenge, bucket collections

With the exception of the Tour raffle, all these fundraising plans will support us in continuing to provide the children with those fantastic facilities & rugby experiences.

We trust that we'll gain support from all parents, friends, and families.

Sponsorships
